

LANDLORD/PROPERTY OWNER RELEASE AND LIABILITY WAIVER

Your tenant is applying for the CARE Program, an energy efficiency upgrade program administered by Energy Outreach Colorado. They will be eligible to receive free energy efficiency upgrades that will help them save money on their utility bill and make their home more comfortable. The scope of work may include the following: LED light bulbs, Energy Star refrigerator, air sealing, insulation, mechanical systems replacement/tune-up, and more. In some instances the program may not be able to cover 100% of the cost of a measure. In these cases, the program will seek matching funds from you, the landlord. You will be presented with all options before moving forward.

Questions? Email CARE@energyoutreach.org or call 303-226-5061 and ask for the CARE Program.
