CUSTOMER DISCLOSURES

- ***Customer data can provide insight into activities within the premises receiving utility service. Your utility may not disclose your customer data except (1) if you authorize the disclosure, (2) to contracted agents that perform services on behalf of the utility, or (3) as otherwise permitted or required by laws or regulations.***
- ***You are not required to authorize the disclosure of your customer data. Not authorizing disclosure will not affect your utility services.***
- ***You may access your standard customer data from your utility without any additional charge.***
- ***Your utility will have no control over the data disclosed pursuant to this consent, and will not be responsible for monitoring or taking any steps to ensure that the data recipient maintains the confidentiality of the data or uses the data as authorized by you.***
- ***In addition to the customer data described above, the data recipient may also receive the following from your utility: your name; account number; service number; meter number; utility type; service address; premise number; premise description; meter read date(s); number of days in the billing period; utility invoice date; base rate bill amount; other charges including base rate and non-base rate adjustments; taxes; and invoice total amount. Your utility will not provide your Social Security Number or any financial account number to the data recipient.***
