- Residents
- Businesses
- Visitors

---

# EXISTING SINGULAR APPROACHES

- Lack of accountability and coordination
  - Safety concerns
  - Congestion issues
  - Noise pollution
  - GHG emissions

---

# CURRENT ISSUES

## Lack of Accountability and Coordination

---

# CURRENT ISSUES

## Pedestrian Safety

---

# CURRENT ISSUES

## Community Experience

---

# CURRENT ISSUES

## Congestion & Illegal Parking

---

# POTENTIAL SOLUTION

- Central Cross-Dock to efficiently manage large trucks & last-mile deliveries
  - Accountability and coordination
  - Increase pedestrian safety
  - Enhance guest experience through all five senses
  - Decrease GHG emissions

# DISTRIBUTOR TESTIMONIALS

---

**Reduced the number of vehicles we send up I-70 from Denver each week.**

Allen Rigel  
Transportation Manager, Republic National  
Distributing Company

**Lessened the burden of delivering a high volume of products in a densely populated area.**

Jesse Albertson  
Operations Manager, Mountain Beverage

**We love how simple, easy, and efficient they make delivering.**

Ryan Dressen  
Delivery Supervisor, Breakthru Beverage  
Colorado

# LOCAL BUSINESS TESTIMONIAL

---

**I would strongly recommend the services of 106West to any community that wishes to reduce the footprint of large trucks entering their town and increase the efficiency of delivering products.**
