

January 2025 Mobility Program Newsletter

Updates and news on the Regional Transportation Coordinating Council (RTCC), the Intermountain Transportation Planning Region (IMTPR), and mobility in Colorado.

RTCC Updates

Calling all elected officials who love transportation! The RTCC is saying farewell to our amazing Chair, Steve Child, and is looking to elect a new Chair at our February meeting. Take a look at the **Chair role** and nominate yourself or others by email dwood@nwccog.org by February 1st.

The RTCC's first meeting of 2025 will be on February 5th from 9-11:30am. We're working on some exciting **projects!** You can join the Zoom-only meeting **here**.

IMTPR Updates

The IMTPR had its first meeting of 2025 on January 17th. The group re-elected the current Chair and Vice Chair (thank you, Brian Pettet and Bentley Henderson!) and voted on their priority projects for the 2050 Statewide Transportation Plan. Watch the meeting and read the notes **here**.

The MMOF Application has been Re-Opened Until March 17th

There is still \$959K available to request, \$84K more than the original left over amount due to a recently closed project with cost savings.

Draft applications will be accepted until March 17, 2025, with final applications due on April 15, 2025. Funding will be decided at the July IMTPR meeting. This application is a form-fillable PDF so please put your answers in the form, not in an attachment. The application and program guidance can be found **here**: <https://www.codot.gov/programs/planning/grants/mmof-local>.

All draft and final applications should be submitted to mmof@state.co.us.

\$111M in Colorado Infrastructure Funding
Congratulations to Pitkin County and RFTA for their RAISE grant awards!

CDOT Updates and News

- January 9th Statewide Transportation Advisory Committee (STAC) Meeting **Recording**

- Clean Transit Enterprise Board Meeting January 28, 2025, 2:00 - 4:00 pm (MST).

Board packet. Watch the meeting on **YouTube. The Clean Transit Enterprise (CTE)** seeks to support Colorado's transit electrification through planning efforts, transit facility upgrades, procurement of electric transit buses, and deployment of associated charging infrastructure. **(SB24-230)**
